Meet Carl Hultquist. Carl and his wife Marilyn recently joined the church and both are actively involved in service to our congregation. Pastor Murray has enlisted Carl to manage various projects at the church and Carl has committed to becoming an elder, while Marilyn plans to join the deacons, and both are involved with adult education.

Carl's career spanned many years with two large engineering companies. He worked his way up to project manager despite having earned a liberal arts degree rather than one in engineering.

"Project management is largely politics," he says. Work over the years took the Hultquists from Chicago, to Walnut Creek, to Los Angeles and back to Chicago. They moved to Medford a year and a half ago from Yuba City.

While in Yuba City, Carl drove for Uber a few mornings a week and may do so here in the future. He says he really enjoyed meeting people and that almost always his conversations with passengers involved God and very often ended with a prayer. He had a 5-star rating.

Currently Carl is the family cook and lately enjoys making Greek dishes. He also likes French food and is a great admirer of Julia Child. Years ago, he and Marilyn met her at a book signing and were able to have a very

An avid reader, mostly the Bible and Bible commentary, Carl has written and led Bible studies for 40 years. He will lead a Sunday morning adult Sunday School study on Advent prophecies. It begins November 28.

Carl and Marilyn met at the Methodist church they both attended as teenagers and this coming June look forward to celebrating their 60th anniversary! They have three children spread over the West Coast and five grandchildren.

Sunday School this fall

A 9:45 a.m. *Romp Through the Hymnal* starts this Sunday, October 31 and continues the first two Sundays of November. Doris and Lynn Sjolund, retired music educators, will lead the class in the Fellowship Hall. The book has over 800 hymns and songs. Come to Sunday School and learn about a few of the hymns and the notations printed on the pages.

Sunday, November 21, everyone is invited to join the Sunday School group as they pick topics for study in the winter and spring quarters of 2022. Beginning November 26, Carl Hultquist will lead an Advent study on the Birth of Christ. Those classes will run through December 19.
