OPEN President's Day

We will be **OPEN** Monday, February 19 on President's Day.

Annual Inspections

We will have our annual inspections this month and next month. We are inspected annually by the Fire Marshall, the Jackson County Environmental Health Department, and our State Licensing Specialist.

Save The Date!

Please save the date for our annual Pre-K Graduation ceremony which will be Friday, May 17 at Holmes Park in Medford. More details to come.

Kids and Books

Did you know we get a delivery twice per month of books for us to borrow from the Jackson County Library? We love being a part of our local library's Outreach to Child Care. Did you know our Infants and Toddlers get to have a monthly story time with Miss Candie from our local Child Care Resource Network? She comes in to read to all three classes once a month as part of our participation in our local Infant/Toddler Network.

Two Pre K friends built a cozy house for themselves on a rainy Winter afternoon .

Thank you, Lithia Motors!

A very special thank you to one of our Sarah Corson Center families and Lithia Motors for an end -of- year gift. We are blessed to use these funds to better our efforts of providing high-quality child care and education for our children and their families.
