We will also begin planning and implementing Zero to Three Curriculum for our Infants and Toddlers. I have just completed a two-year Infant/Toddler cohort in which we spent the first year training on Zero to Three Curriculum.

## **Water Play Begins This Month**

We are excited to bring back water play for July and August! Water play will be on Mondays and Thursdays. Pre-K and Preschool will have water play from 1:00-2:00 p.m. Toddler 1 and 2 will have water play from 2:00-3:00 p.m. Please see Brightwheel for details on what children need to have at school for water play.

## **Welcome Miss Jenn and Mr. Grant!**

We have hired two new staff members to join our team. Miss Jenn comes to us after most recently working for a Child Care Center in Arizona. Mr. Grant comes to us with experience taking elementary education courses and doing some student teaching as a high school student. Please join me in welcoming both of them to our Center!
