Updated immunization records

Parents, please get me a copy of updated immunization records when your child goes to the pediatrician and gets any vaccines. This helps me to keep our records up to date. I have an immunization report due to the Jackson County Health Department in early January. The Oregon State-wide Immunization Exclusion Day is February 19, 2025. Any child not up to date by this day will be excluded from school until proof of required vaccines is provided. Please see me if you have any questions. I am here to help!

Grateful, Thankful, Blessed

A heartfelt thank you, parents and guardians for sharing your child/children with us! We love teaching your children each and every day.
