Halloween happiness!

On Halloween, SC students got to Trick or Treat 12 different stations around the church. Church staff and several volunteers helped hand out candy to SCC children. This special little boy was FASCINATED by these “new” adults and asked them intelligent questions, showed them his budding curiosity, and gave them a glimpse into his sweet little heart. “Can we do this again?”

Center Update

Belfor has completed their portion of the restoration work in our basement. Work on the main floor continues. A flooring contractor has done a walk-through to assess our flooring needs and to help us choose the proper flooring products. TerraFirma Foundation Specialists will be here in mid-December for several days to add a drainage system to our basement, complete with sump pumps and a dehumidifier. We do not yet have confirmation on our insurance coverage, however, we anticipate hearing soon.
