January 2025 Newsletter

Holiday Program Take 2

We have rescheduled our annual Holiday Program to Friday, January 31 at 6:30 p.m. We will be singing some traditional children's Christmas songs as well as some new winter songs. A special visitor will be in attendance. We will have an Open House in the Fellowship Hall immediately following our program. All are welcome!

CLOSED until January 6

A reminder we are still closed for our annual Winter Break until Monday, January 6, 2025.

Immunization Records

If you have not yet turned in immunization records for your child/children to Jaime, please do so ASAP. Incomplete records or children not up to date will have to be reported to the Jackson County Health Department mid-month.

Center Update

TerraFirma Foundation Systems installed a new drainage system in our SC basement complete with sump pumps and a dehumidifier. The goal with this system is to help prevent any future water damage to our building. Belfor has completed mitigation and begun restoration work. We have chosen a flooring contractor and are working with him on ordering flooring products. We do not yet have a timeline for our return to our building. When we do, we will be shouting it from the rooftops and advertising it all over!

Welcome 2025!

2024 was a YEAR for us at SCC, as we faced multiple challenges and obstacles. But we made it! We got through it! We are still standing!

We welcome 2025 with renewed hope, faith, enthusiasm and optimism. We have much gratitude and appreciation for our SC families and for the church for allowing us to operate here while we remodel our center. Thanks to all for your love and support!

—Jaime Snider, director
