

SARAH CORSON CHILD CARE & LEARNING CENTER

February 2025
Newsletter

Happy Valentine's Day!

We will be celebrating Valentine's Day on Friday, February 14 with class parties and a Valentine exchange. Class lists are posted to Brightwheel. If your family would like to participate in exchanging Valentines, we welcome you to do so. Please see your child's teacher for specific class party information.

Thank you, Lithia Motors!

A very special thank you to one of our Sarah Corson Center families and Lithia Motors for another year-end gift. We are blessed to be able to use these funds this year to help us with costs associated with renovating our building. Thank you again for thinking of us!

Save The Date!

Please save the date for our annual Pre-K Graduation ceremony, which will be Friday, May 16 at 6 p.m. at Holmes Park in Medford. More details to come!

OPEN President's Day

We will be OPEN Monday, February 17 on President's Day.

Center update

There is a light at the end of the tunnel of our water damage project at the Center, and we are beginning to see it! I do not yet have any type of a timeline on when our project will be complete, but I can tell you we have moved into the restoration phase.

We met with Belfor Restoration and several sub-contractors in late January, and plans are moving forward.

What is left to be completed next door is: replacement of metal framing for countertop and front desk in the space near our entrance on perimeter of infant and Toddler 1 classrooms, dry-wall (and in some parts insulation), painting, and flooring.

Again, no timeline has been set, but we are hopeful to be back in our new beautiful space soon. Once we know when we will be moving back to our Center, we will be shouting it from the rooftop!

—Jaime Snider, director
