

SARAH CORSON CHILD CARE & LEARNING CENTER

April 2025 Newsletter

Easter Egg Hunts

We will have class Egg Hunts on Friday, April 18. Toddlers will be using our playground (weather-permitting) and Preschool/Pre-K classes will be using the Church Sanctuary.

Donations of larger-sized plastic Easter Eggs and peanut-free candy, treats and toys are needed. Please give donations to Jaime or your child's teacher. We will provide large reusable bags for each child for our Easter Egg Hunt.

State Inspection

We passed our annual State Inspection in our church space with flying colors! Both our State Licensing Specialist and our Jackson County Health Inspector will inspect our center, once we are back in operation in our home space.

MOVING HOME SOON!

Barring any unforeseen interruptions or challenges, we plan to move back to our center sometime in the near future! We do not yet have an official date, but when we do, we will shout it from the rooftops! We will need to be closed to children/families on a Friday and a Monday in order for us to prepare our newly renovated classrooms back at the center.

Help will be needed the weekend after our Friday closure. If we get enough done, we may only have to close for a Friday (one day instead of two) and NOT a Monday.

Grant Opportunity

With the blessing of the Church Session, Jaime will be applying for a grant from Business Oregon and the Oregon Department of Early Learning and Care that could cover the entire cost of our SCC water damage restoration work. The grant is due at the end of this month. Please join us in praying the grant committee finds us worthy of allocating funds.

—Jaime Snider, director
